621 Capitol Mall, Suite 2500

Sacramento, CA 95814

Nate Solov is a Capitol insider with over 17 years of legislative experience and whose relationships with legislators, staff, and the Governor's office allow him to achieve results for clients. Since joining Nossaman in April 2019, Nate has already secured success for clients. He connected the SF Bay Ferry with the California Transportation Agency Secretary to help them obtain needed funding. He led a coalition of construction defect firms to get balcony safety legislation through the legislature and signed by the Governor. He also is leading a coalition of state toll agencies to advance legislation preventing frivolous lawsuits. He worked to get unanimous legislative support and the Governor's signature for legislation to continue the state's Parkinson's Registry. He also secured millions in the state budget for San Mateo Community College District projects.

Nate is well respected in the legislature and Governor's office for his knowledge, work ethic, and ability to find compromise and get results. During his more than 17 years in the legislature Nate staffed more than 125 bills and as chief of staff, helped Senator Hill get the most bills signed into law of any current legislator. As a chief of staff Nate helped broker deals on many high-profile legislative reforms, managed communications and political strategy, and successfully secured millions in budget funding for local programs. As a lobbyist he's capitalized on his relationships to help clients advance their interests.
