

Public Pensions & Investments

Daily, we work alongside the people entrusted to protect teacher, police, firefighter and other public employees' retirement benefits. We leverage decades of experience in the public retirement plan sector, to offer thoughtful, nuanced and independent advice on the legal and business issues affecting plans and their members.

Our accomplished team provides comprehensive legal services to public retirement systems throughout California and across the country. Clients turn to us for investments, fiduciary, governance and administration counsel. When disputes arise, we represent retirement systems and their Boards in litigation.

We are proud of our unique expertise in this important industry. We strive to serve our public retirement plan clients with the same zeal they serve the members and beneficiaries of their plans.
