Kimberly Kamkar is an associate with the firm's Corporate Group, and her practice involves advising emerging to established companies on general corporate matters. Kimberly often works with entities throughout their lifecycle, from entity formation through mergers and acquisitions on both the buy and sell side of transactions, to winding down a business. In addition to her corporate practice, Kimberly works with clients in the healthcare, food and beverage, hospitality, real estate, and pension administration industries.

In the food and beverage area, Kimberly has assisted hotels and retail sellers in connection with alcoholic beverage license applications, transfers, compliance, and regulatory matters.

Kimberly also represents institutional investors and public pensions systems in connection with alternative investments that involve various asset classes, including real estate, technology, private equity, and hedge funds.

EXPERIENCE

Health Plan and IPA Merger and Sale. We advised a health plan and independent practice association (IPA) based in Northern California on their merger and sale to a population health management company. We guided our client through an F reorganization in order to combine strategic corporate transactional structures while steering clear of significant regulatory risks at both the federal and state levels. We also secured regulatory approval from the California Department of Managed Health Care.
