777 South Figueroa Street, 34th Floor
Los Angeles, CA 90017

Edgar Martinez has been a certified paralegal for 14 years. He provides specialized services with the electronic presentation of documents and other materials at trial (“hotseating”). He has prepared and processed eDiscovery including voluminous productions and voluminous client documents for review to document platforms. Edgar has extensive experience coordinating and preparing filings for State and Federal Court and has prepared and coordinated service/filings for document production and witness subpoenas.

Prior to joining Nossaman, Edgar was a paralegal for a well-known celebrity attorney and held paralegal roles where his responsibilities evolved into hybrid Paralegal and Practice Technology Support roles.
