213.612.7810

777 South Figueroa Street, 34th Floor
Los Angeles, CA 90017

Margaret Inglis is responsible for partnership level financials, coordinating partner K1 and vendor 1099 reporting, banking and cash management, general ledger and account reconciliations, payroll coordination and the month-end close process. Margaret works closely with our external CPAs, vendors and bank representatives. Margaret has more than a decade of experience in the legal services industry with a mantra of audit readiness.

Prior to joining Nossaman, Margaret served as Division CFO for a multinational investment bank's technology unit, preparing budgets and forecasts for software enhancements. She also served as accounting manager for an AmLaw 200 firm for more than four years. Margaret is a California designated CPA.
